

Utrecht brand sheet

Utrecht has a dream
The city of Utrecht is centuries old, but still young at heart. It is a city of makers with the urge to innovate and improve. Here, ideas both big and small are transformed into reality thanks to inspiring connections, unexpected cross-pollination and clever collaborations. Utrecht's dream is to use all those qualities to ensure one thing: healthy urban living for everyone. Which we need more than ever today.

Brand essence

Health

Promise

**In Utrecht, people and ideas come together.
We work together to create the healthy city
(and region) of tomorrow.**
